

SHREEVYA GLOBAL

GLOBAL TRADE, NATURALLY INSPIRED

Premium Handmade Herbal Soap Export Suppliers from India

Sourcing premium hand-crafted herbal soaps from verified manufacturers across India. Shreevya Global supplies export-quality natural soap products to international distributors, hospitality groups, wellness brands, and retail buyers across the UAE, UK, Singapore, Australia, and global markets.

Empowering International Buyers with Sourcing Integrity & Export Excellence

Shreevya Global operates as an elite Indian merchant exporter and trading company. We bridge the gap between verified GMP-compliant manufacturers and international buyers seeking premium quality, luxury packaging, and reliable supply chains.

We specialize in custom private-label branding, customized ingredient formulations, and wholesale bulk supplies of traditional cold-process handmade herbal soaps. Our India-based sourcing network allows us to coordinate quality audits and batch validation at accredited laboratories before every shipment.
